Safety Considerations and Potential Hazards

Item #	Location & Precautions
1.	Review Site Specific Heatlh and Safety Information Sheet.
2.	Review safety and hazard information as provided in the Contract Specifications (if applicable).

I (contractor name) _____ understand that I am required to provide this information to my employees. I also understand that the hazard information presented to me is based on the University's understanding of the work location as it relates to their (University's) activities. I further understand that my (Contractor's) activities will require me to assess the work location and implement safety controls and procedures, as appropriate, that are compliant with Title 8 of the California Code of Regulations.
